

## EPS-1000

Electronic Pressure Switch

- Solid State Patented Silicon Technology
- No Moving Parts
- High Reliability, MTBF 100,000 Hours Minimum
- Hermetically Sealed and EMI Protected
- Fully Qualified - RTCA/DO-160D
- Flight Certified TSO C47 or Equivalent
- Various Load Configurations Capability
- Intrinsically Safe Applications Available

This Electronic Pressure Switch incorporates Kulite Patented Silicon on Silicon integrated pressure sens
