Sertifikalar

Junction Box ALCJB-A

4, 6 or 8 Load Cells (6- or 4- Wires Circuit)

ATEX 94/9/CE - Approval

Level of Protection IP65

Aluminum Housing

Junction Box DLCJB-A

Connection of up to 8 Digital Load Cells with RS485- Output

Level of Protection IP65, Over-Voltage Protection

Aluminum Housing

Strain Gauge Amplifier CPJ / CPJ2S

Amplifier for Load Cells in 4- or 6- Wire Circuit

DIN Mounting Rail Device with Voltage and Current Output,

Parallel Connection of up to 4 Load Cells, Shunt Calibration Signal via Push Button,

Low- Pass Filter and Limit Value Evaluation with 2 Set Points.

Digital Weighing Indicator

OIML- Approval

Connection of up to 8 Load Cells

RS485, RS232, PROFIBUS DP

Digital Weighing Indicator

OIML- Approval

DIN Mounting Rail Device

Connection of up to 8 Load Cells

RS485, RS232, PROFIBUS DP

Digital Weighing Indicator

OIML- Approval

Connection of up to 8 Load Cells

RS485, RS232, Remote Control

Stainless Steel- or ABS- Housing
